HydroLink[®]

BATTERY WATERING SYSTEM BY TROJAN

- Save time and money with a system that helps you decrease maintenance needs and increase battery life
- Spend more time cleaning, and less time on battery maintenance with HydroLink's quick, easy-to-use design that requires little to no training
- Protect your operators from the possibility of acid contact and other risks associated with open battery maintenance

LEADING TECHNOLOGY FOR SAFER CLEANING

PRODUCTIVITY

By following the convenient, non-mechanical water level indicator light on the battery cap, operators easily know when to add water, saving you time on training and maintenance. White means the battery needs water, and black means the battery has enough water.

SAFETY

HydroLink is equipped with both internal and external flame arrestors to help prevent any spark or flame from entering your battery. The system also eliminates acid exposure while filling the batteries.

LOW COST OF OWNERSHIP

Reduces battery acid spills from over filling and indicates when water is needed, which helps increase battery life and maintain a longer battery run time.

HYDROLINK® BATTERY WATERING SYSTEM

HYDROLINK KIT

Trojan HydroLink Battery Caps
Tubing Assembly
Manual Hand Pump

SPECS SECTION

Made for use on 24V (4 batteries) and 36V (6 batteries) systems *using Trojan batteries only.*

PRODUCT AVAILABILITY

3640, 6100, 6200, B5, B7, B10, R14, T7, T12, T16, T300*, T300e*, T350, T500, T500e, T600, T600e
**HydroLink only available on the 150 AH batteries*

OPTIMIZE CLEANING PERFORMANCE WITH TENNANTTRUE®

Maximize the uptime and life of your Tennant equipment with TennantTrue Parts and Service. Benefit from the unmatched knowledge of our team of over 400 factory-trained and certified Tennant Service technicians. TennantTrue Parts are designed to fit your Tennant machine and deliver optimal cleaning performance. This helps reduce machine downtime and service calls. Depend on TennantTrue to help you maximize the effectiveness of cleaning operations.

TennantTrue Parts program includes Tennant, Nobles, Green Machines and Orbio cleaning equipment.

Specifications subject to change without notice.
