SQUEEGEES

- Exceptional liquid pick-up, designed and engineered specifically to fit Tennant machines
- Less rework and low labor costs
- Ideal fit for any application with three types of squeegees
 - Premium Linatex® and Linard® rubber exhibits outstanding strength and resistance to cutting and tearing
 - Chemical-resistant urethane has a long service life; well suited for use with organic and petroleum-based oils
 - Economy Gum Rubber is cost-effective option for smooth, indoor floors, made of a combination of natural material and fillers
