Grayed cells denotes parts not used in the construction or operation of the machine, and therefore are not applicable.

Prices include all checks and adjustments on the PM checklist, PM labor, and parts checked above, if applicable, on the model and series being serviced. All labor required to install checked parts on this list is included. Parts included in the Silver Program must be installed during a regular Planned Maintenance visit. Any additional parts or labor are charged separately to the customer. Sweeper dust filters are not included in the Silver Program and will be charged separately to the customer.

Subject to change without notice. Contact Tennant today 1.800.553.8033.
