

“ec-H2O™ protects our employees  
and guests. And it **cleans great!**”

Paul Greenland  
President and CEO

Aetna Building Maintenance,  
a leading provider of commercial

and industrial facilities services, relies on Tennant ec-H2O™ technology to help them clean effectively, save money, improve safety, and reduce environmental impact. ec-H2O is certified by the National Floor Safety Institute (NFSI) to improve floor traction, which can reduce the risk of slip-and-fall incidents.\*
