employees across  
seven facilities

# 300+

sales and service  
employees

# 80+

Tennant Company  
direct sales reps

## No job too small or too big

Tens of thousands of floor cleaning machines in use across EMEA, from mini scrubbers to Industrial cleaning robots

### AUTOMATION

Address staffing challenges, drive labour efficiencies and maintain a high standard of cleaning with the leader in robotic cleaning solutions

### SUSTAINABILITY

Significantly reduce the impact of cleaning operations: energy, CO2 emissions, ozone, smog, acid, eutrophication, and particulates with ec-H2O NanoClean™

### DEPENDABILITY

Decrease downtime and improve productivity with machines that are built to keep your facilities clean even in the harshest environments
