## VERSATILITY AND VALUE

### INDOOR ENVIRONMENTAL QUALITY

The F8 floor machine rapidly removes most types of soil and scuff marks from a variety of floors, leaving a polished floor that attracts less dirt and is easier to clean.

### PROVEN DURABILITY

The F8 helps to produce a high gloss finish floor, harden coatings and polished films and can be used in spray cleaning coated floors.

### OPERATOR CONVENIENCE

Increase ease of operation with an ergonomically designed, comfortable handle. Increase health and safety with a low sound level and double safety switch to protect operators.
