

Self Contained Extractor EX-SC-1020

Sleek design, reliable performance in a self contained carpet extractor.

This carpet extractor allows for the exact amount of agitation to remove tough soil without causing damage. The ergonomic handle grip and fingertip solution controls minimize hand movement during operation and allow for hours of comfortable operation. The brush meter allows the operator to adjust for optimal brush height.

Durable construction, reliable performance

Constructed of durable polyethylene that resists dents and cracks, this extractor is built to last and can withstand the demands of everyday extracting.

Greater maneuverability

This extractor is perfect for cleaning in confined areas like classrooms, office buildings, hospitals and restaurants as well as larger open areas.

Key Benefits

- Brush scrub deck with large motor and stiff brush coupled with dual spray nozzles provide outstanding cleaning performance
- Ergonomic handle with trigger solution control allows for comfortable operation
- This unit moves easily with its lightweight yet durable construction and low center-of-gravity bladder system
