

# Self-Contained Extractor EX-SC-1530

**Clean smaller areas quickly with this self-contained carpet extractor.**

### **Easy to use**

The lift-off recovery tank on this compact self-contained carpet extractor lets the operator empty the tank into a drain or sink with ease.

### **Enhanced user comfort and ease**

Folding handle design adjusts to multiple positions for operator comfort. Plus, convenient trigger grips enable the user to dispense solution evenly through two spray jets. One-button cleaning simplifies operation.

### **Complete clean**

Clear sight tube allows operators to view solution level and also easily drain excess solution when finished.

## **Key Benefits**

- Easy-to-use design with lift-off recovery bucket and self-adjusting brush makes this extractor perfect in residential, rentals and small spaces
- Move easily in and out of vehicles or up and down stairs due to its lightweight design, folding handle and recessed transport grips
- Body design and construction delivers years of cleaning performance
