

REINVENT HOW THE WORLD CLEANS

  
**iris**<sup>®</sup>  
**IRIS**<sup>®</sup> ASSET MANAGER  
Intelligent Insights

**Key Benefits**

**Make informed decisions**

**Increased productivity**

**Reduce cost to clean**

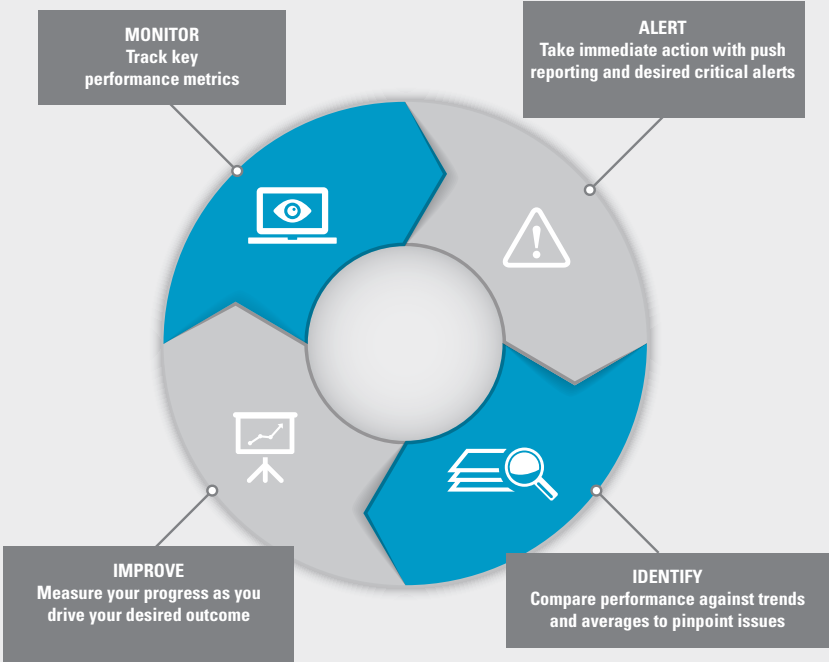

**Ensure Consistency**

# NEXT-GENERATION IRIS CAPABILITIES

The new IRIS portal and upgraded onboard technology adds several new features:

- More Intuitive User Interface**  
Redesigned to deliver a cleaner, more intuitive and mobile-optimized user experience — so you can get to the info you need, faster.
- 4G + Wi-Fi Connectivity**  
Onboard IRIS telemetry technology now combines 4G connectivity with Wi-Fi to keep machines connected even when operating indoors.\*
- Impact Detection**  
Built-in accelerometers detect machine impacts to help pinpoint potential misuse/abuse issues.\*

## IRIS® IMPROVEMENT CYCLE

\* Only applicable to updated equipment — check with your Tennant sales representative for details.

# TAKE CONTROL OF YOUR FLEET PERFORMANCE

### Take Action on Critical Issues Faster:

Push reports and critical alerts show your most important data, so you can take immediate action on potential fleet issues.

### Ensure Cleaning Consistency:

Track machine usage and compare side-by-side usage for your entire fleet to drive consistent cleaning performance that meets all cleaning requirements.

### Increase Productivity:

Identify under performing sites to provide additional training and implement best practices. Ensure optimal battery maintenance and extend battery life to minimize machine downtime.

### Optimize Fleet Deployment:

See your true usage needs to “right-size” your fleet.

### Lower Cost to Clean:

Optimize fleet deployment, increase productivity, maximize battery life and minimize battery replacement and maintenance costs, lowering your overall cost to clean across your entire fleet.

# Powerful Features For Dynamic Fleet Management

Key Performance Indicators	
IRIS® Telemetry Performance Snapshot	Push Reports & Critical Alerts Rapid Notification on Fleet Issues
<ul style="list-style-type: none"><li>• Machine Usage: Maximize productivity and ensure operational and cleaning compliance by tracking daily usage.</li><li>• Machine Location: Minimize the cost of lost assets with daily location reports.</li><li>• Battery Metrics: See battery charging behavior to extend battery life.*</li><li>• Impact Detection: Pinpoint misuse/abuse issues.</li></ul>	<ul style="list-style-type: none"><li>• Machine Relocated: Receive an alert if a machine moves more than the selected distance from its previously reported location.</li><li>• No Machine Usage: Receive an alert if a machine is not used.</li><li>• Battery Charging: Receive an alert if battery is not charged after use or opportunity charging occurs.</li><li>• Impact Detected: Receive an alert if a machine impacts an object, signaling a misuse or safety issue.**</li></ul>

## Putting Your Most Critical Data at Your Fingertips

The updated IRIS® dashboard — accessed through the My Account — makes it even easier to access and visualize the information you need to help you raise the bar on fleet performance.

- Secure anytime, anywhere access
- Redesigned interface is more intuitive and mobile-friendly
- Simple, clean graphics visualize key metrics
- Push reports sent to key decision makers for instant review

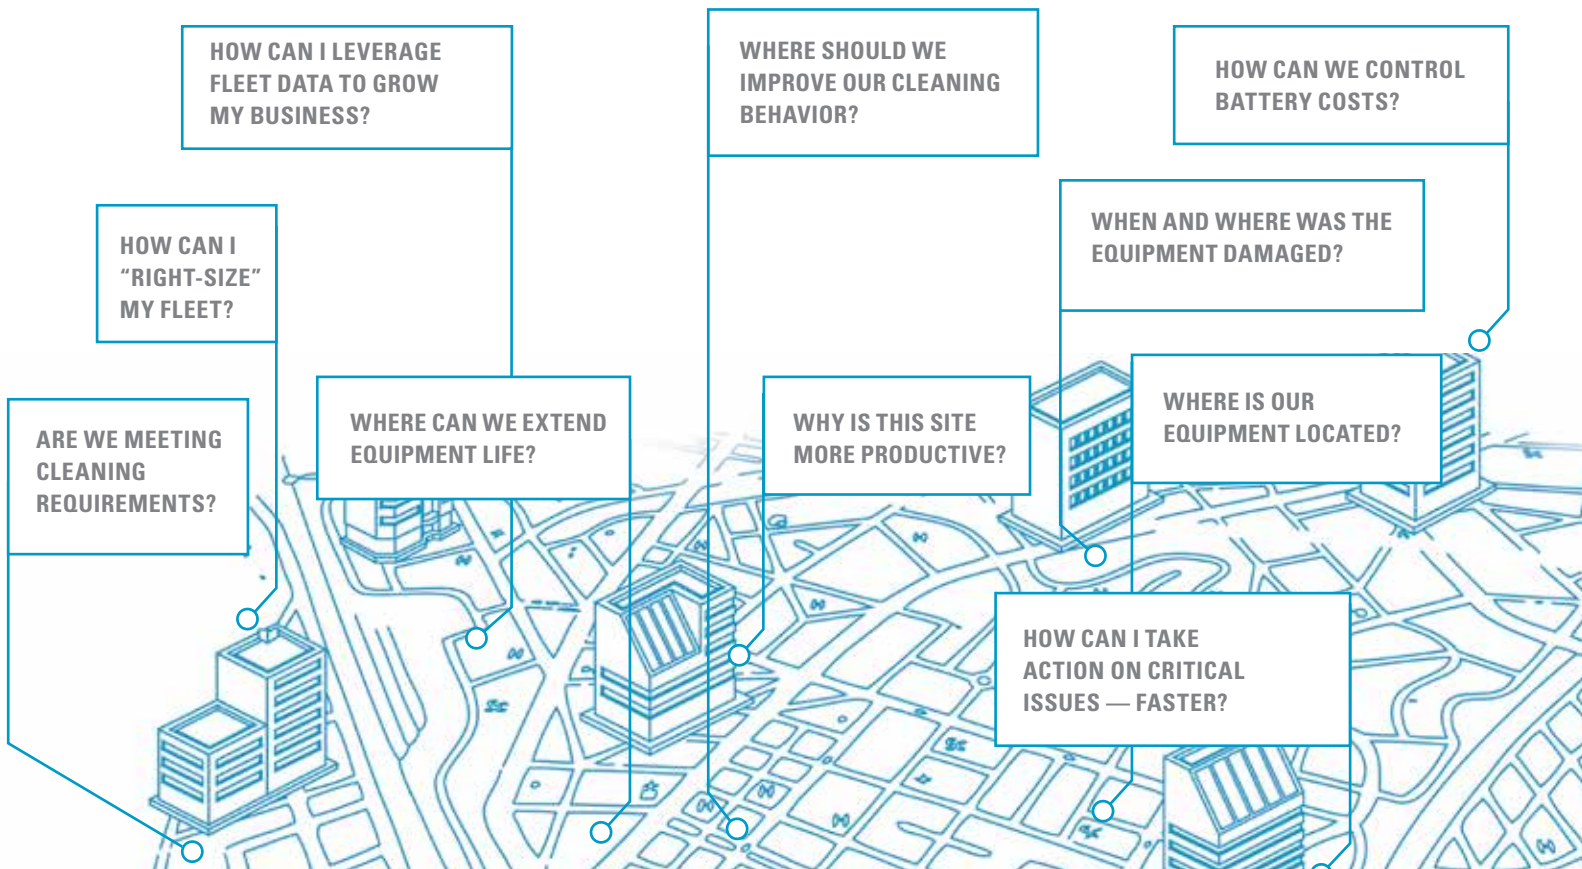

\* Battery metrics are available on select models only.

\*\* Impact detection is only available on select models.

## ARE YOU SEEING THE FULL PICTURE OF YOUR CLEANING OPERATIONS?

Managing your fleet comes with the challenge of monitoring many machines across multiple sites. IRIS® Asset Manager delivers key performance metrics, empowering you with intelligent insights to optimize fleet performance and reduce cost-to-clean.

## SOLVE YOUR CLEANING OPERATION CHALLENGES

### FIELD TESTED TECHNOLOGY + CONTINUED INNOVATION: A PROTECTED INVESTMENT

Tennant continues to update and improve our patented and proven IRIS technology — delivering more robust monitoring capabilities, enhancing the IRIS platform to deliver more relevant and actionable insights. This ongoing innovation gives you confidence in your protected investment.
