

5000-Sc

ON-SITE GENERATOR

SIMPLY DISPENSE AND CLEAN

Generate cleaning solution right on site — when and where you need it. The Orbio® 5000-Sc simplifies processes and saves time and money, while replacing a variety of multi-colored and fragranced conventional cleaning chemicals.

SMART MACHINE

- Easy-to-use display tells when to add softener salt or change the filter, and includes a digital readout of the solution quantity dispensed

BOTTLE FILL

- Allows walk-up dispensing on demand for smaller solution containers such as bottles used in spray-and-wipe cleaning

FAST FILL

- Up to three times as fast as a typical faucet and hose; fills a 25-gallon/95-liter tank in less than two minutes

HIGH CAPACITY

- Automatically generates ready-to-use cleaning solution with no mixing required; stores 120 gallons/450 liters of Orbio MultiSurface Cleaner

EASY INSTALLATION

- Requires only a water supply, drain, and electrical to install and start using

This device-generated solution meets Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized packaging and protective limits on: VOCs and human & environmental toxicity. GreenSeal.org.

**ONE GENERATOR + ONE SOLUTION =
REPLACE MULTIPLE CONVENTIONAL PACKAGED CHEMICALS**

MultiSurface Cleaner

FILLS SPRAY BOTTLES

REPLACES
