

REINVENT HOW THE WORLD CLEANS

T12

Compact battery-powered rider scrubber-dryer

Get the power of a heavy-duty floor scrubber-dryer with the compact, easily maneuverable T12 compact battery ride-on floor scrubber. Engineered for easy operation and maintenance, the T12 combines innovative features and substantial power for an effective clean.

Available technologies

ec-H2O™ technology

IRIS® Fleet Manager

Blue spot light for enhanced safety

Engineered for **Productivity**

- 1. Optional vac wand** provides convenient and quick off machine spill recovery and **optional spray hose** allows for remote access to the cleaning solution for hard-to-reach areas and makes machine cleanup easier.
- 2. Easy to identify maintenance Touch Points** ensure daily maintenance items are checked and your investment is properly maintained and protected.
- 3. Maximize runtime** with low maintenance wet batteries and easy to use battery watering system.

- 4. Clean floors from edge to edge** and achieve a 28% wider scrub path with the optional scrubbing side brush.
- 5. Promote a safe cleaning environment** with LED headlights (standard on T12 XP, optional on T12) and optional blue spot light.
- 6. Easily maneuver the scrubber** while cleaning controls stay fixed in the center of the steering wheel with the Touch-n-Go™ Control Module (T12 XP only).

Inside the T12

- 1. Enhanced ergonomics** that allow ease of use through intuitive controls and excellent visibility.
- 2. Achieve consistent, cost-effective cleaning** with QA Controls™ by locking in ideal machine settings for your unique cleaning needs
- 3. Extend component life and reduce maintenance cost** with the AC brushless propelling motor that operates more efficiently than traditional DC motors.

- 4. Reduce fatigue and increase operator safety** with the large operator compartment allowing substantial leg room while providing easy ingress and egress from either side of the machine.
- 5. Improve cleaning results** with the scrub head (disk or cylindrical) and the variable down pressure settings that best suit the application that best suits. Simplify maintenance with no-tool brush change.
- 6. Reduce the risk of slip and fall accidents** with the Dura-Track™ parabolic squeegee system that provides excellent water recovery and can be changed easily without tools.

Optional Accessories

Rear squeegee protection kit prevents damage to the machine.

Deluxe seat (standard on T12 XP, optional on T12).

Lower maintenance and repair costs with a heavy duty front bumper.

T12 specifications

CLEANING SYSTEM

Scrubbing Path (standard) with scrubbing side brush	810 mm 1.040 mm
Disk brush motor (2)	0,75 kW
Disk brush speed	325 rpm
Disk brush down pressure (variable to)	114 kg
Cylindrical brush motor (2)	0,75 kW
Cylindrical brush speed	600 rpm
Cylindrical brush down pressure (variable to)	91 kg
Solution tank	132 l
Recovery tank	166 l
Vacuum fan speed water lift	0,6 kW 14.500 rpm 1.650 mm

PROPELLING SYSTEM

Propel speed forward (variable to) Propel speed reverse (variable to)	8 km/h 4 km/h
Gradeability (transport at gross weight) working (scrubbing)	8° / 14,1% 4° / 7%

BATTERY SELECTIONS

Battery optional packages	Wet 240 AH Gel 220 AH
---------------------------	-------------------------

MACHINE SPECIFICATIONS

Length basic machine	1.710 mm
Width, body	945 mm
Height (top of steering wheel)	1.420 mm
Weight empty (no battery)	468 kg
Minimum aisle turn	1.854 mm
Sound level: Disk Cylindrical	62 dBA 63 dBA
Sound pressure level tested per IEC 60335-2-72

Tennant – Reinvent how the world cleans

With a vision to become a global leader in sustainable cleaning innovation that empowers our customers to create a cleaner, safer and healthier world, Tennant creates solutions that are changing the way the world cleans.

We are where you are

Tennant has the industry's largest direct sales and service organization and a well-supported network of authorized distributors worldwide.

Solutions for your unique needs

Whatever your cleaning needs, Tennant offers a variety of high quality equipment to help you increase your cleaning productivity.

Buying, leasing, renting

We offer flexible options to get you the machines you need, however you need them.

TennantTrue®

Optimize equipment performance and protect your investment with TennantTrue® parts and service.
