

# T560

## Mirco Ride-On Floor Scrubber

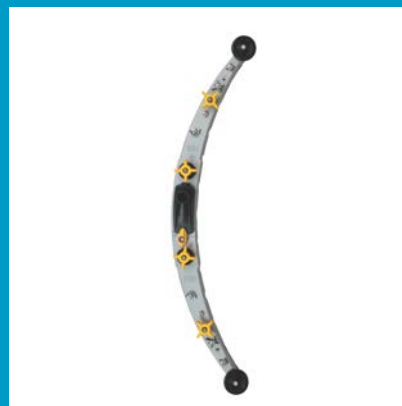

### Big Productivity in a Micro Rider

A micro ride-on floor scrubber specially designed for commercial spaces. The compact design is suitable for operation in narrow spaces across a range of commercial applications. Reduce your cost to clean with affordable but essential machine features and a yellow touch point system for easy maintenance. Perfect for commercial spaces such as shopping malls, hotels, schools, office buildings, hospitals, logistics centers, garages, and factory workshops.

### Compact and Maneuverable Design

Reach many areas of the facility and narrow spaces with the highly maneuverable scrubber with a 1m turning radius and front-mounted drive design.

### Reduce Risk of Slips and Falls

With a redesigned squeegee and integrated p-trap that improves water pick up and prevents water from streaking.

### Improve Environmental Health in your Facility

Easily access solution and recovery tanks for quick cleaning – reducing mold and bacteria that may grow in dirty tank.

# Inside the T560

**1. Reduce maintenance costs** with recovery tank sensor that prevents any dirty water from reaching and damaging the vacuum motor and other key internal systems.

**2. Multi-stage vacuum** for strong water pick-up.

**3. Clean tight spaces and narrow aisles** with T560's compact design and highly maneuverable handling.

**4. Simplify post operation maintenance** with easily accessible clean and dirty water tanks.

**5. Reduce water drips** after cleaning operation with integrated p-trap debris collection system.

**6. Simple no-tools, no-touch brush change system** for quick start up.

## T560 Specifications

FEATURE	SPECIFICATION
	<b>Disk</b>
Cleaning path	700 mm
Productivity (per hour)	4,200 m <sup>2</sup> /hr
Scrubbing speed	6.0 kmh
Brush speed	150 rpm
Brush motor power	400W*2
Water suction motor	550 W
Solution tank capacity	70 L
Recovery tank capacity	75 L
Battery voltage	24V
Battery quantity (AGM)	2 pieces
Battery (AGM)	176AH at 10 hr
Dimensions (LxWxH)	1310 x 800 x 1240 mm
Weight (batteries not included)	164 kg
Weight (AGM battery included)	262 kg
Sound level (operator's ear)***	72 dBA

Specifications subject to change without notice.  
 \* Estimated coverage rates use the practical speed and empty/fill time standards from the 2004 ISSA Cleaning Times handbook.  
 \*\* Run times are based on Continuous Scrubbing Run Times.  
 \*\*\* Sound levels per ISO 11201 as recommended by the American Association of Cleaning Equipment Manufacturers & OSHA
