

T7AMR Robotic Scrubber Municipal Lease Program

Address labor challenges, drive efficiencies, and maintain a high standard of cleaning with a robotic solution - designed to work safely and efficiently alongside employees, students and visitors. Robotics can help you redeploy resources to focus on other tasks, while providing proof of performance with real-time notifications and reports. Powered by BrainOS® Advanced AI and engineered for safety to easily navigate real-world environments.

T7AMR ROBOTIC FLOOR SCRUBBER

- 26" cleaning path
- 29 gallon solution tank
- Up to 3.5hour battery run time*

WHY A MUNICIPAL LEASE**?

A municipal lease allows you to spread the cost of the equipment over multiple budget cycles. With flexible terms and buyout options, leasing allows you obtain dependable cleaning results with innovative Tennant equipment to keep your facility look it's best.

WHO QUALIFIES FOR A MUNICIPAL LEASE*?

- Public K12 School Districts
- Public Universities and Colleges
- State and Local Government Facilities

* Battery run times are based on continuous scrubbing run times.

**Terms and Conditions apply and vary by leasing partner. All transactions are subject to credit and documentation approval. Application and documentation fees may apply. End user must qualify for municipal lease-purchase pricing. Lease program payments may include machine, autonomy service licensing, and applicable sales tax. Lease program does not include AMR Service Plan, associated cleaning costs such as chemicals, water, and electricity or other duties, or the cost of shipping, all of which are customer's responsibility. Lease program subject to change without notice. Additional restrictions may apply and not all program options may be available by each partner. Contact Tennant Leasing Partners - U.S. Bank, Wells Fargo Vendor Financial Services or First Western Equipment Finance for rates and complete program details. Ask your local sales rep for estimated lead times. Verify when placing order. All orders subject to acceptance by Tennant Sales and Service Company, Minneapolis, Minnesota.

+ Municipal Lease transactions can be provided for states and their political subdivisions. To be qualified, a governmental entity must, at a minimum, possess one of three characteristics of a government; they must possess the power of eminent domain, police powers, or the power to levy taxes.
