

# T191

## Small Walk-Behind Scrubber-Dryer

### Simple to Use for Hard-to-Reach Areas

T191 is a small, maneuverable and reliable scrubber-dryer that provides effective cleaning with easy-to-use controls. Its large tank capacity in a small size machine and robust components enables high productivity. The T191 is ideal for cleaning small, narrow areas found in retail stores, cafeterias and offices.

### Simple to Use

Clean narrow and hard-to-reach areas easily with small size, ergonomic handle and maneuverable design.

### Productivity in a Small Size

Achieve more cleaning productivity compared to compact machines, with a large tank capacity and wide scrub path.

### Compact Storage

Easy to store with small size footprint and handle that folds down easily.
