

#### CREATING A CLEANER, SAFER, HEALTHIER WORLD.

# **T500e**

# WALK-BEHIND FLOOR SCRUBBER-DRYER

Reduce costs to clean, increase productivity, and simplify operator training with the T500e's innovative technologies

## IMPROVE THE EFFECTIVENESS OF YOUR CLEANING RESOURCES, INVESTMENTS, AND OPERATIONS WITH A NEW SUITE OF TECHNOLOGIES

- Reduce costs to clean, increase productivity, and simplify operator training with the T500e's suite of innovative technologies, such as optional ec-H2O NanoClean<sup>™</sup>, IRIS<sup>®</sup> Fleet Manager, or Smart-Fill<sup>™</sup> automatic battery watering.
- Effectively remove floor finish without expensive stripping chemicals and improve cleaning performance with the orbital cleaning head option, featuring optimal down pressure and high RPMs.
- Reduce risk of slips and falls with a redesigned squeegee and integrated p-trap that improves water pick up and prevents water from dripping on the floor after cleaning.
- Charge batteries safely with the lid closed with on-board charger fan and integrated venting.
- Optimise long-term performance of wet batteries with Smart-Fill<sup>™</sup> automatic battery watering system.
- Help prevent breakdowns and simplify preventive maintenance and training requirements with yellow touch points.

#### INNOVATIVE, EXCLUSIVE TECHNOLOGIES

Smart-Fill<sup>™</sup> makes battery maintenance safer by removing the task of checking, opening, and filling wet batteries.

Increase productivity, reduce cost to clean and make informed decisions with intelligent insights from IRIS<sup>®</sup> Fleet Manager.

ec-H2O NanoClean<sup>™</sup> technology electrically converts water into an innovative cleaning solution that cleans effectively, saves money, improves safety, and reduces environmental impact compared to daily cleaning floor chemicals and methods.<sup>\*</sup>

#### INSIDE THE

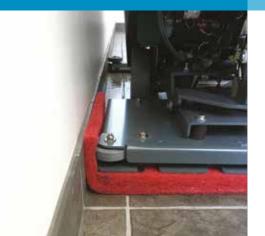

# **T500e**

Optional Smart-Fill<sup>™</sup> technology prevents operators from using scrubbing functions on dry batteries and a control panel alert notifies operators when the distilled water tank is low

Orbital scrubbing is ideal for daily cleaning of floors and sideboards.

and gimbal mount heads

#### TENNANTTRUE® PARTS AND SERVICE

- Reduce rework, labor and safety costs by using only Tennant*True* parts and service.
- Leverage the knowledge and experience of over 220+ factory trained Tennant service technicians that utilize only Tennant*True* parts to ensure optimal cleaning performance.
- Select from a wide array of Tennant*True* service plans designed to meet your cleaning equipment needs – whether that includes peace of mind and budget control, speed of response or uptime.
