

REINVENT HOW THE WORLD CLEANS

V-CAN-16

Canister Vacuum

High Performing, Built for Productivity

Thoughtful features like a detachable cord, speed dial, and innovative handle design make this large capacity vacuum a strong offering. Designed and Built in Europe.

Included Technologies

-  **HEPA Filtration**
-  **Bag Full Light**
-  **Speed Control**

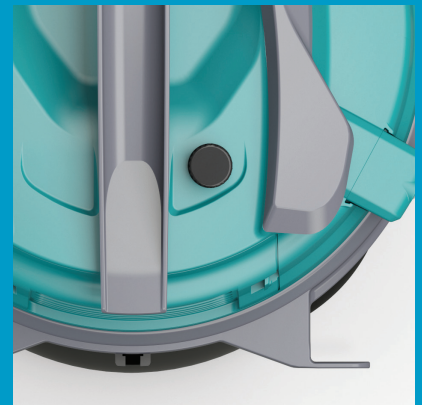

Bag full light

Full bag indicator tells operator when it's time to change bags.

Detachable Cord

Minimize downtime with easily changeable cord.

Quiet operation

Speed regulator allows for noise adjustment, and non-marking rubber wheels travel over hard floors quietly.

Inside the V-CAN-16

1 Three-stage filtration

Up and down stream
HEPA filtration

2 Detachable power cord

Allows for cord change
without disassembling
the machine

3 Durable side bumpers

to protect from damage

4 Speed control

Adjust motor speed to
limit noise when needed

5 Bag full light

Know when to change
the bag with a lighted
indicator

Optional tool holder

Keeps accessories
available for ease of
use *(not shown)*
